*On est si bien ici !*

**A city, a territory**

**An advanced economic centre**

**Young people, a main asset for the future**

**Living well together, Le Barp is a town of pleasure**

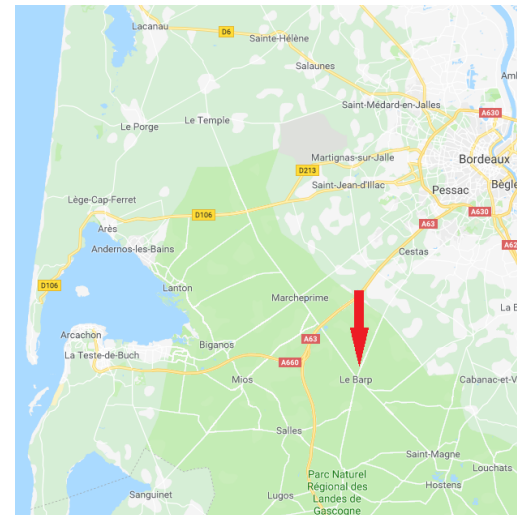

# LE BARP : It's good here...

## A CITY, A TERRITORY

Le Barp is a municipality of the South West of France, located in the region of New Aquitaine, more precisely in the Department of Gironde. It is located in the Landes Forest, on the Landes de Gascogne Regional Natural Park territory.

Le Barp is on the way from Tours to Santiago de Compostela and many pilgrims go through Le Barp every year.

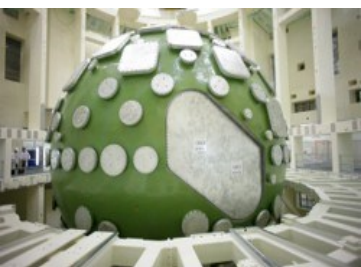

*« Le Barp has a special geographic position because it is located between Bordeaux and Arcachon Bay. »*

## AN ECONOMIC CENTRE IN EXPANSION

Le Barp has a well-maintained and highly valued large forest heritage.

The town is in line with a dynamic generated by the activities zone ZAE Eyrialis which is managed by the Community of Municipalities of the Val de l'Eyre.

It offers a strategic position halfway between Bordeaux and Arcachon, close to the A63 highway, to the airport (38 kilometres/23.598 miles), and to the Laser Megajoule at the CEA-CESTA Center.

Laseris Park, located in the Municipality of Le Barp, which is very close to CEA-CESTA large lasers and the Laser and Plasma Institute, welcomes the important industrialists which support the Laser Megajoule, but it welcomes also high technology companies or leading companies in their market.

## AN ACTIVE TRADE

To address the needs of the inhabitants, Le Barp offers many convenience stores and supermarkets. The local market is on every Sunday morning and it's a great place for meeting and exchange.

## CHILDHOOD AND EDUCATION

In Le Barp, more than 700 students attend the different educational institutions.

The city has 5 schools :

- 2 nursery schools
- 3 elementary schools

### SECONDARY AND HIGH SCHOOLS IN LE BARP

The Department decided to implant a secondary school which should accommodate between 600 and 700 students.

Meanwhile, the region is committed to opening a high school which should accommodate 900 students for the 2022 school year.

*« Early childhood is a key priority for the city. Then, it tries to find an appropriate solution for each family, such as collective or individual reception of children, on a regular or occasional basis. »*

To make family arrangement easier, a structure multi-host and a Relay Assistants Nursery offer a reception for 3 months old children who enter nursery school.

*« Children and young people reception, their education and personal development are a priority for our city. »*

### Extracurricular time :

Extended Day Programs help families to conciliate professional life, personal life and school schedules at the same time.

- A meeting point for young people
- Extended Day Programs
- Play centers without accommodation

## LE BARP : It's good here...
